

# Current trends on spectral data for Higgs bundles

**September 26-27, 2015.**

American Institute of Mathematics  
San Jose, USA.

## Speakers

**Lara Anderson**, Virginia Tech, USA.

**Lucas Branco**, Oxford, UK.

**Olivia Dumitrescu**, MPI, Germany.

**Laura Fredrickson**, UT Austin, USA.

**Victoria Hoskins**, FU Berlin, Germany.

**Marina Logares**, ICMAT, Spain.

**Ana Peón-Nieto**, Heidelberg, Germany.

## Support

The workshop is made possible by generous support from these organizations:

- GEAR Network, through the NSF
- The American Institute of Mathematics.

and is presented in cooperation with the Association for Women in Mathematics.
